Dear Parents,

This certainly hasn't been the end of term we were expecting. Many thanks to you all for your support and understanding with the changes we have been required to make.

As the holidays are approaching, I would like to remind you of the reporting arrangements that we have been asked to maintain. To assist with contact tracing, schools are asked to record any positive COVID tests for 2 days after the end of term. If any child records a positive LFT or PCR from Friday 17th December until 12 noon on Monday 20th December, please can you notify me by email. Results can be sent to head@ashleworth.gloucs.sch.uk or head@churcham.gloucs.sch.uk I will be checking my email regularly up until noon on Monday 20th. If you receive a positive PCR result, please can you send me the confirmation for our records.

I will update the reporting template on Monday and send final details to the Health Prevention team.

If you do have any questions, please do not hesitate to contact me.

Many thanks and my very best wishes to you all.

Michelle Kelly
